GENERAL INFORMATION

LOCATION — The 1961 Annual Spring Show and Sale of the Illinois Polled Shorthorn Breeders' Association will be held at the Bloomington Livestock Sale Pavilion, Bloomington, Illinois, Saturday, March 25, 1961. Sale pavilion is 2 miles south of Bloomington on U. S. 51.

TIME — The show will begin promptly at 8:30 A.M., and the sale at 12:00 Noon, Central Standard Time. Lunch will be served at the pavilion.

THE MAIL BIDS — We want you to come to the sale if you can possibly do so. If you cannot come, you may rest assured that mail or wire bids will be honestly and faithfully executed. They may be sent to Hal Longley of The Shorthorn World, 16 S. Locust St., Aurora, Ill.; to C. D. Swaffar, Secretary, American Shorthorn Association, Live Stock Exchange Bldg., Omaha 7, Nebraska; Lyle Eiten, Gorn Belt Dailies, Chicago, or to the auctioneers.

Messages sent to any of the above on the morning of the sale should be addressed in care of Sale Pavilion, Col. Harold Kindred, Owner, Bloomington, Telephone 9-1985.

AUCTIONEER — Dick Kane, Wisper, Neb.; Luke Gaule, Springfield, Ill.

GUARANTEE — All cattle in this sale are sold under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association printed elsewhere in this catalog.

HEALTH — All animals are sold subject to a 60-day retest for tuberculosis. Every animal in this sale has been tested for Bang's Disease within 30 days of the date of the sale, with the exception of certain young animals that were calfhood vaccinated for Bang's and have not yet reached 30 months of age. Health certificates will be provided with each lot sold. Most of the younger females in this sale have been calfhood vaccinated for Bang's.

TERMS — The terms of this sale are cash unless arrangements are made in advance with consignor from whom you purchase. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction, and before the animals are removed. All stock will be at buyer's risk as soon as bid off but the management will assist in loading on cars or trucks in compliance with instructions from purchaser.

The above guarantee and terms constitute a contract between the consignor and buyer of each lot. Neither the Illinois Polled Shorthorn Breeders' Association, the clerk of the sale, nor the individual designated as Sale Manager assumes any liability, legal or otherwise.

Where footnotes appear in this catalog they were furnished by the consignors or written from information supplied by the consignors.

We will not be responsible for any accidents that may occur, but will make every effort to provide for the comfort and safety of our guests. Shipment will be made as soon as possible after the close of the sale and without trouble to the purchaser, but at the purchaser's risk of loss or injury after being bid off.

BANQUET AND ANNUAL MEETING — MARCH 24, 1961 — 6:30 P.M.

At the Sinorak on Hwy 51, south edge of Bloomington.

EVERYONE IS INVITED

OUR SILVER ANNIVERSARY

The Illinois Polled Shorthorn Breeders' Association was formed in April, 1937, when a group of leading breeders met at Springfield to discuss ways and means for the advancement of the breed in this state.

The first officers were Charles H. Nickel, Arenzville, president; Carl M. Johnson, DeKalb, vice president, and S. Roy Sampson, Petersburg, secretary-treasurer. The following year Carl Johnson was made president and remained president through 1950. Other presidents have been Glen Anderson, Paxton, Ill., (1951-1956), L. E. Hatch, Urbana, Ill. (1957-1959) and W. A. Wartens (1960). There have been just four secretary-treasurers in the 24 years, namely, S. Roy Sampson, M. R. Staggs, Avon, L. E. Hatch, Urbana, and Lyle V. DeWitt, Decatur.

Throughout the entire quarter century history of this Association, the members have functioned in unison and with a purpose. That their efforts have been fruitful, there can be no doubt since Illinois Polled Shorthorns today are better than ever before.

Although the principal purpose of this Association has been to encourage breed improvement within the state, this effort has gone hand-in-hand with a marketing program designed to build a wider market for all Illinois breeders. That this phase of the Illinois Polled Shorthorn Association has been effective is apparent in the following figures.

During the last 24 years, 49 auction sales have been held under the auspices of this Association. A total of 1,031 bulls and 1,607 females have been sold through these auctions and the 2,638 head have brought a total of \$834,072 for a general 24-year average of \$316. Breeders, farmers and ranchers from over half the states in the Union and four Canadian provinces have participated in the buying, and Illinois Polled Shorthorns have gained wide recognition as being right in type, pedigree and performance.

This is our twenty-fifth year. I am proud to have managed all of the sales held under the auspices of this Association during these years, proud of the breeders who have supplied the cattle and proud of the performance of Illinois Polled Shorthorns in the hands of their new owners.

History is an important part of the purebred cattle business since each pedigree is in itself a historical record of ancestry. Illinois Polled Shorthorns have made history and will continue to do so. The 67 head in this sale have literally been drafted for this Silver Anniversary event. All have been inspected and approved by a critical committee. This is the strongest offering in Illinois Polled Shorthorn history... an offering that will provide convincing evidence that "ILLINOIS LEADS THE WAY."

A Bit of Polled Shorthorn History

April 10, 1937 Shorthorn World

A new organization to be known as the Illinois Polled Shorthorn Breeders' Association was launched at a recent meeting of breeders in Springfield. Chas. H. Nickel, Arenzville, was elected president; Carl M. Johnson, DeKalb, vice president and S. Roy Sampson, Petersburg, secretary-treasurer. It is to be hoped that all Polled Shorthorn breeders in the state will write to the secretary indicating their desire to cooperate in the work of promoting the breed in Illinois. A committee was formed to make plans for an auction sale to be held in June, the exact time and place to be announced later. Polled Shorthorn breeders in Illinois or neighboring states who are interested in consigning cattle to this proposed sale should write at once to Hal Longley at The Shorthorn World office.

June 25, 1937 Shorthorn World

First sale held under the Illinois State Polled Shorthorn Association Illinois State Fairgrounds, Monday, June 14, 1937.

The first annual auction sale held under the auspices of the newly formed Illinois Polled Shorthorn Breeders' Ass'n proved to be thoroughly successful. A large crowd gathered at the Illinois State Fair Grounds in Springfield for this opening event and prospective buyers of Polled Shorthorns seemed plentiful. Some of the entries were lacking in flesh and a few lacked the quality necessary to bring about bidding contests, but there was real buying action whenever animals of the right type and breeding appeared in the ring. The 35 head sold for a general average of \$132.64, the top price of \$305 being paid for the roan senior yearling bull Model King, a son of Oakwood Regal King consigned by Carl M. Johnson of DeKalb, Ill. This bull, a smooth, well-balanced fellow, made a very fitting champion for the show which was held during the morning. He was purchased by E. C. Ferguson, Marshalltown, Iowa. The champion female was the summer yearling heifer Sunset Queen 4th, a very smooth, sweet-headed

daughter of Ceremonious Renown consigned by Marshal L. Boyle, Hennepin, Ill. In the sale she was purchased at \$130 by Mrs. Timothy A. Collins and she goes to join a very select foundation group that is being assembled on the Collins farm at LaCrosse, Ind. The top female of the sale was the very choice 4-year-old roan cow Lavender Browndale consigned by J. H. Nickel & Sons, Arenzville. She is a daughter of Highland Leader and out of a beautifully bred Lavender dam sired by the International grand champion Loyal Browndale. Selling with a very promising dark roan bull calf sired by Sultan Standard at foot, she was purchased at \$250 by S. J. O'Bryan of Chicago for the herd he is founding on his Lake Villa, Ill., farm.

Edwin Bay, Farm Adviser of Sangamon County officiated as judge of the show and Col. Fred Reppert was the auctioneer, assisted by Luke Gaule. During the morning a meeting of Ill. Polled Shorthorn Breeders' Assn. was held and the following officers were elected: Chas. H. Nickel, Arenzville, President; Carl M. Johnson, DeKalb, Vice President; S. Roy Sampson, Petersburg, Secretary-treasurer.

Chas. N. Leemon, Hoopeston, A. F. Weber, Ipava, and Marshal L. Boyle, Hennepin, were elected directors. The sale was under the management of Hal Longley of The Shorthorn World.

(Consignors to the first sale were:)

Leemon Stock Farm, Hoopeston
Carl M. Johnson, DeKalb
Marshal L. Boyle, Hennepin
D. H. Myers, Mendon
Joe Bolliger, Deer Creek
J. H. Nickel & Sons, Arenzville

CIRCLE S GOOD NEWS x - The junior yearling from our 1960 show herd that was reserve junior champion, Land of Lincoln show, Illinois State Fair, sixth at the International, fourth as a junior calf the year before. Solid red, short-legged, smooth, deep-bodied, one of the thickest we ever raised. His mother placed fifth at the International and won her class as a junior calf at the Illinois State Fair. If you want thickness in your herd, be sure to look this bull over. He is capable of heading a good herd. We have several cows mated to him and he appears to be a great breeding bull.

A SILVER ANNIVERSARY GIFT

To help commemorate the Silver Anniversary of the founding of the Illinois Polled Shorthorn Breeders' Association and the 25th year of Illinois Polled Shorthorn sales, W. A. Warters, Allerton, Ill., has chosen again to share the proceeds of a heifer with the Illinois Lassies which he has consigned to the Spring State Sale at Bloomington on March 25th.

The pedigree of this heifer, incidentally, ties in with the top breeding that has been offered in the 24 years of these sales as well as with the top breeding of the state.

The all-time top bull in these sales was Minstrel Coronet x, a son of Lynnwood Minstrel x, consigned by R. E. & R. L. Ebner, Tonica, Ill., and sold at \$1,175 in the 1947 fall sale to M. O. Bennett of Memphis, Tenn. The all-time top single female in the history of these sales was also consigned by the Ebners, also by Lynnwood Minstrel x. She is Blythesome 58th x, purchased in the 1948 fall state sale at \$1,035 by Carl Johnson, DeKalb, Ill. Blythesome 58th x appears in the third generation of the heifer's pedigree being offered by the Warters.

The all-time top price of the sale was paid for Carona Belle 9th x (by Collynie Nugget x) when she sold with her great calf, Carona Fascination x, at side, consigned by Carl Johnson in the 1951 spring sale and purchased at \$2,125 by Lynnwood Farm, Carmel, Ind. Carona Fascination x is by Cherry Hill Royal Oak x, an International reserve grand champion. He appears in the third generation of the Warter heifer's pedigree.

Bi Ru Lustre 3d x is the heifer being shared with the Lassies. She is by Juggler's Sentry x, 1958 Land of Lincoln junior champion, 1959 Land of Lincoln reserve senior champion. His sire, Burr Oak Juggler x, was 1957 Land of Lincoln grand champion. His sire in turn was Coronet Max Juggler 3d x, sire of the \$20,000 International grand champion TPS Max Coronet 5th x.

Bi Ru Lustre 3d's dam, Belrieve Lustre 12th x, was third top-selling female for Hatch & Dunlavy, Alpha, Ill., in the June 1954 state sale at \$410. She is by Carona Barrage x, second prize summer yearling for Carl Johnson at the 1951 International and sold in the International sale at \$1,050 to Hatch & Dunlavy. His dam is Blythesome 58th x and his sire is Cherry Hill Royal Oak x.

In addition, in the third generation of this heifer's pedigree appears Hillside Royal Leader x, \$2,000 top of the Hillside Dispersion and sire of the champion bull at the 1956 June state sale; also Master Stamp x, International grand champion for A. B. McFarland, Hoopeston, Ill.

BI RU LUSTRE 3d x, sells as Lot 59. Her sire is pictured above Lot 28, her grandsire, Burr Oak Juggler x, is pictured above Lot 30.

Standard Guarantee

endorsed by the
AMERICAN SHORTHORN ASSOCIATION

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for calves at side or unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

INQUIRIES ABOUT CATTLE LISTED—The sale manager will gladly answer, to the best of his ability, any question which may arise in the minds of prospective buyers concerning the breeding and quality of any animal listed in this catalog. Such correspondence should be addressed to Hal Longley, Sale Manager, 16 S. Locust St., Aurora, Illinois.
